R.S.V.P. For Profit! Our unique approach

- **Request the order**

Our reps are in constant contact with operators, helping drive a constant stream of new business.

- **Service guarantees**

We offer operators a 100% satisfaction and a 100% delivery guarantee – no exceptions.

- **Value-added products**

Our goal is to add profit to both the operator and distributor with each sale. We sell on our 100% satisfaction guarantee, and in turn, increase the perceived value of all the products we represent.

- **Profitability our specialty**

The event and function side of your business presents unique profit opportunities ...and difficult marketing challenges. We understand better than anyone else where hidden profits can be uncovered.
